

## MEREDITH DUNN SCHOOL

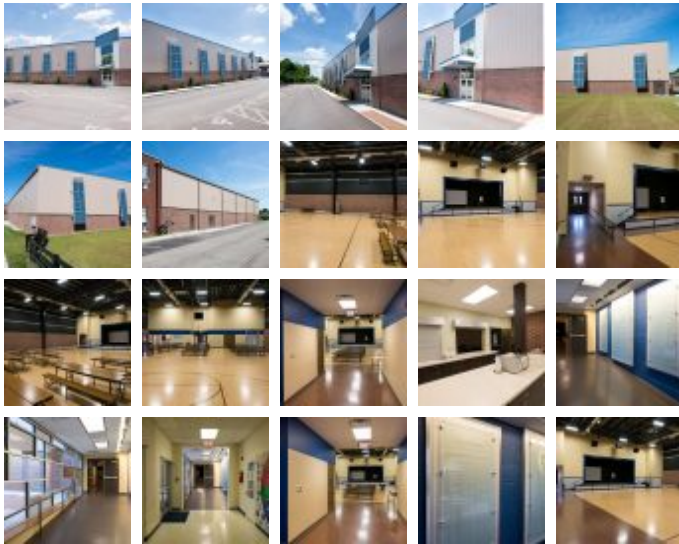

### Schools and Churches

Square Feet : 10,000 s.f.

Project Location : Louisville, KY

Construction Dates : 12-1-14 - 8-2015

End User : Multipurpose School

#### Meredith Dunn School New Construction

10,000 s.f. Auditorium/Gymnasium – Site work, concrete, masonry, steel, aluminum storefront, framing, drywall, ceilings, cabinetry, paint, insulation, flooring, doors and hardware, sports equipment, audio/video, stage lighting, kitchen equipment, plumbing, HVAC and electric.

2,000 s.f. of classroom space in the existing building – framing, drywall, doors and hardware, paint, ceilings, HVAC and electrical. This was a project whereby the school members were participating in the construction donating services like painting and kitchen equipment, plumbing etc. This was a 5 month project that went on longer due to member participation and donations.

Relocation of the playground and add additional parking
