Property Details

This project is a 3,000 s.f. addition, re-roof, and interior remodel for Swope in Elizabethtown, Kentucky.

The project will have a Butler metal building addition with an MR-24 insulated re-roof system. The project will have the Jeep image added to it. The inside will have new lights, ceiling repairs, upgraded HVAC, upgraded floor drains, and new service department expansions. The project is designed and built by Lichtefeld, Inc.
