Dear Stan,

I want to commend you for the great job your company did for us in constructing our new office/retail center on Dupont Rd. Your presentation and follow through were of the utmost in professionalism. Your personnel and your sub contractors were extremely polite and diligent in their work. The premises were kept neat and clean at the end of every day. Your Project Manager, Andy Gupton, kept me informed every step on the way to completion of the project. Your on-site Foreman, Tony, was as accommodating as one could possibly be. I want you to thank them for me, personally, for making this project as seamless as possible.

The project was finished as promised and I am delighted with the work that you did for us.

Best Wishes and continued success,

Ed Gould
